

TERREINVOORSCHRIFTEN
IN DE ENGELSE TAAL

Safety and Security

The Unipost Terminal satisfies the stringent ISPS regulations. To ensure compliance, extra identification checks and/or inspections could be conducted at random intervals. Safety helmets, vests and shoes are compulsory at the Terminal. Instructions issued by Security Personnel must always be followed.

Access to the Terminal

The terminals can be accessed using a:

- * Cargo Key (truck drivers)
- * Port Key (nautical staff)
- * Day Pass (external visitors)
- * Personnel Badge (terminal staff)

In case of an incident

All accidents, damage and/or incidents (e.g. leaking of hazardous substances) must be reported immediately to a Unipost staff member or the security staff on +31 (0)010-2995926.

Instructions for drivers delivering parcels

Trucks are requested to use Entrance 1. Insert your card into the topmost slot and leave it there until the barrier gate is raised. Park at the car park. Slot your card through the turnstile and report to the parcels delivery desk on the left of the ground floor of the main building. Customs procedures are handled at the customs desk on the ground floor. Next, follow the directions to drive onto the Unipost Grounds. Report to the warehouse chief and unload your goods at the location specified. When exiting, insert your card into the slot at the very bottom. The card will not be returned. The barrier will be raised.

Compliance with the following safety and site-specific regulations is compulsory

Enter the Terminal at your own risk.

The use of spoilers is at your own risk

Instructions issued by staff must be followed.

Drivers must position themselves within the line of vision of the crane master or truck driver when loading or unloading.

Entering the container stack is prohibited.

Driving underneath a load is prohibited.

Operational vehicles (e.g. tractors, forklift trucks, reach stackers) have priority **AT ALL TIMES**.

Passengers are not permitted at the terminals

The container must be detached at the car park.

It is prohibited to leave any waste behind at the Terminal.

If you encounter any problems with your cargo card and/or container when leaving the premises, please report this through the intercom (pillar).

Smoking and open fire is prohibited throughout the Terminal (including inside vehicles).

The use and possession of alcohol and drugs are strictly prohibited.

The maximum speed limit on the quay and at the warehouse is 15 km/hr. No visitor cars are allowed in the warehouses or crane loading zones

The maximum speed limit on the main thoroughfare is 30 km/hr.

Please slow down when approaching operational vehicles at intersections.
